*Step aboard the legendary Riva
AquaramaSuper. it's a passport
to la Dolce Vita !*

Painstakingly and beautifully restored to a condition rivaling that of a brand-new model, this AquaramaSuper combines vintage soul with modern refinement. Every detail—from the varnished woodwork to the hand-stitched upholstery—reflects the timeless artistry of Riva craftsmanship.

Whether you're gliding along the Côte d'Azur, anchoring off Portofino, or sipping rosé off Saint-Tropez, this is the perfect Riva to rent for the day. She delivers effortless glamour, smooth power, and a timeless atmosphere that recalls the golden age of Riviera sophistication.
