Built by **Blue Emme Yachts (Italy)**, the **EVO43 (2017)** is a refined cruiser that blends Italian design flair with serious offshore capability.

This model is appreciated for its sporty yet elegant lines, generous cockpit layout for social cruising, and a bright, well-finished interior that makes weekends aboard genuinely comfortable.

Solid construction, excellent handling, and a clever use of space give the EVO43 an intrinsic balance of performance, luxury, and practicality—ideal for both fast coastal runs and relaxed family cruising.

About the specific boat for sale:

This unit stands out thanks to an extensive technical renovation carried out between **2021–2022**, including **engines, turbos, IPS system, and swim platform**.

All invoices are available, providing full transparency of the work completed.

The rebuilt engines currently have **only 20 running hours**, offering near-new mechanical confidence.

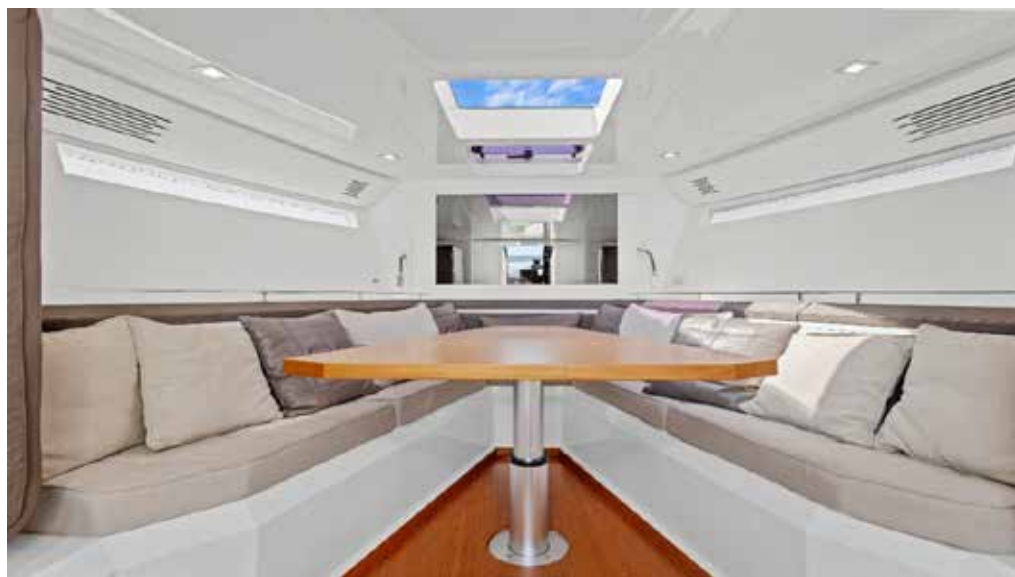

In addition, the yacht is **professionally serviced every year before the season**, ensuring she is always maintained to a high standard and ready to cruise.
